- **Clearing Up Conversion Questions**: [EPA Finalizes Alt-Fuel Conversion Rules](#)

Bulletin Board & Toolbox

- Looking for **Mechanics' courses on Alternative Fuel** or some Advanced Technology? For available courses visit the [National](#)

Congratulations everyone, we're teenagers!

But don't worry, that doesn't mean your coalition will become moody and stop doing homework. Your coalition staff has worked hard and so have you, pushing to keep this region called the Energy Capital of the World.

With more options and technologies out there than ever before, the Houston-Galveston-Brazoria region is poised for success. And we are dedicated to helping you save \$\$ on your diesel bills and keep the air around your fleets clean.

Please join us in saying, "Hooray for us!" and check out this [cool retrospective video](#) (@6 mins). Other information and [more pats on the back here](#).

Survey Success!

We offered you camping gear, and you said, "YES!" Our better, briefer surveys got some good responses!

GHCCC wants to say THANK YOU! to those that responded to the Comprehensive Regional Survey last fall and those that filled in the *perfectly painless* Annual Survey this spring.

FYI, we are not planning to survey you again until next spring, at the next annual survey. However, please keep in mind that if you are a member, you have to fill out that annual survey!

Also, we will be posting the anonymous stats we got from the survey very soon.

Thanks,
Greater Houston Clean Cities Team

Business Opportunities

- **Electric Vehicle Repair and Conversion Training** [Electric AutoShop](#)
- [Mower Rebates and Incentives are BACK](#)

[Alternative Fuels Training Consortium](#) website.
[Inform your coordinator](#) if you'd like a class to be offered nearby.

- Where ARE those **alternative fuel stations in my area?** [The DOE Alt-Fuel Locator knows!](#)
- **How Did They Do It?** Read [other fleet experiences with alternative fuels](#) here.

- [Clean Vehicles Program has \\$18 million](#) for fleet upgrades

Staff Profile

Rogelio works with the **Drayage Loan Program** for port truckers as well as **Clean Vehicles** and our **Regional Texas Emission Reduction Program**. Rogelio is *the* guy to call for questions on the programs, in English and Spanish. He explains our vehicle programs and visits truckers and their companies for program business.

And Rogelio loves watching his brother play 6th grade baseball--they're going to the World Series!

Rogelio Mendoza
Drayage Loan Project Specialist
