

Greater Houston Clean Cities Coalition Membership Form

Greater Houston Clean Cities Coalition (GHCCC) is part of national network of coalitions formed to support petroleum reduction and improve air quality through the deployment of alternative and renewable fuels and technologies in the transportation sector.

Clean Cities Stakeholders are individuals or entities, based/residing in the greater Houston area, that pursue and/or promote alternative fuels and clean vehicle technology projects and opportunities. Individuals and entities are asked to fulfill requirements outlined below.

Clean Cities Supporters are individuals, entities, and interested citizens who want to remain informed about events and receive newsletters, invites, and announcements from GHCCC.

<i>Member Commitments</i>	<i>Member Benefits</i>

To complete membership:

- Complete the contact and interest form below.
- Please attach a resolution or formal statement of support for the GHCCC on organizational letterhead.
- Complete the Clean Cities Annual Survey when requested.
