Dear Clean Cities Stakeholders,

Thank you for participating in our Clean Cities meeting last week. I wanted to provide some updates on events discussed in our meeting.

#### H-GAC/Clean Cities Events

- Biodiesel Roadshow – January 19 – [Register/RSVP Now!](#)
- Propane Mower Event – week of April 10 (date TBD)

#### Upcoming Meetings

- **NGV Infrastructure Conference** – January 24-25, 2012
  - Marriot West Loop (Galleria area) – Houston, TX
  - Event overview and information is attached
  - Clean Cities stakeholders can receive a \$200 discount when you register on line using the code “HGAC”
- **Gulf Coast Association for Pupil Transportation Meeting** – February 17-19, 2012
  - South Shore Harbour Conference Center – League City, TX
  - For more info go to the [conference website](#)

#### Clean Cities Activities

- **Redesignation:** Houston Clean Cities will be holding a webinar with the Department of Energy for coalition redesignation. Stakeholders are invited to attend and participate. The webinar will be scheduled for late January or early February 2012.
- **Annual Survey & Report:** In January, we will be sending a basic survey to gather information about alternative fuel infrastructure, fleets, and activities across our region. We ask for your participation and appreciate the information that you provide!
- **Membership:** In early 2012, we will be sending membership forms to confirm participation in Clean Cities. Draft membership forms are attached. If you are interested, please review the forms and send comments to Allison.

Thank you for supporting a great discussion about meetings, activities, and events next year! Please contact us if you have questions or ideas for future meetings and events.

Best regards,  
Allison
