

APPLICATION FORM E: APPLICATION SIGNATURE FORM

Please acknowledge your understanding of each statement by signing in the space provided below. If an outside party assisted you in the preparation of this application, their signature must also be included.

I certify to the best of my knowledge this application meets the minimum requirements as described in the CFI Guidelines.

I agree to accept the emissions, cost-effectiveness, site visit, and risk assessment evaluation performed on my application as described in the H-GAC Clean Fleet Initiative Guidelines. I understand there may be conditions placed upon receiving an incentive and agree to refund the incentive if it is found that at any time I do not meet those conditions and if directed by the Houston-Galveston Area Clean Fleet Initiative.

I understand that if I receive a grant resulting from this application, I will be expected to abide by all of the implementation and compliance provisions contained in the currently applicable CFI guidelines, unless otherwise agreed upon by myself and H-GAC.

I understand as a program participant that this program has limited funds and shall close to new applications upon depletion of program funding. The H-GAC Clean Fleets Initiative shall be under no obligation to honor requests received following depletion of program funding.

I understand that receipt of this incentive prohibits application for any form of emission credits including: Mobile Emission Reduction Credit (MERC) and/or Mobile Discrete Emission Reduction Credit, for all time, from any applicable agency.

I understand that by checking this box I authorize H-GAC to perform a credit check on the organization (for corporations, limited liability firms) or the person (for general partnerships and sole proprietorships) listed on Application Form A. I understand that if I do not authorize such a credit check, this may negatively impact the evaluation of this application.
