REBATE INFORMATION

The Propane Mower Rebate Program provides up to \$2,500 to Texas Clean Cities stakeholders. This amount includes all propane-related purchase price rebates and grants offered by State and Federal sources. Please complete the table below as it applies to other funding received through state and federal grants and/or incentives.

Propane-Related:	
Federal purchase rebates, grants and incentives	\$
State purchase rebates, grants and incentives	\$
Local purchase rebates, grants and incentives	\$
Total propane-related purchase cost grants, rebates and incentives	\$
Subtract Texas Clean Cities Rebate Amount	\$2,500
If greater than zero, maximum amount of Texas Clean Cities rebate	\$

AGREEMENTS

The Purchaser and Participating Service Dealer agree to the following:

- The participating Service Dealer has educated the Purchaser about the care, maintenance and operation of the mower(s).
- The Purchaser agrees to follow the equipment manufacturer's recommendation for maintenance of the propane engine or conversion equipment.
- The Purchaser agrees that the equipment for which a rebate is provided must remain in use in the service area no less than three years from the date the equipment is purchased.
- The Purchaser agrees that the alternative fuel conversion equipment must remain in the service area no less than three years from the date the equipment is purchased.

I agree the terms listed above.
