Below, please check all that apply regarding what your organization/agency can do as part of the Houston-Galveston Clean Cities Stakeholders Coalition.

Evaluate Alternative Fuels (AF) for usage in our organization/agencies' vehicles

Support an expanded Alternative Fuel Vehicle (AFV) marketplace with vehicle conversions and maintenance

Coordinate with regional agencies to promote fuel economy programs

Explore public access alternative fuel infrastructure expansion

Initiate use of alternative fuels (AF) in my fleet

Evaluate the potential of AFVs as a component of an overall emissions reduction strategy

Participate in Clean Cities meetings and events

Participate in planning of projects that can support fuel economy and emissions reductions through idle reduction technologies, hybrid electric vehicles, fuel blends and fuel economy

Replace/retrofit old diesel school buses

Serve as a local dealer and service provider for clean diesel technologies

- ___ Provide coalition support with in-kind contributions
- ___ Work with coalition on legislative issues and strategies
- ___ Assist with outreach activities promoting the mission activities of Clean Cities
- ___ Assist advancing clean air objectives
- ___ Acknowledge alternative fuel/clean fleets in the region
- ___ Promote and support alternative fuels, fuel blends, anti-idling practices and electric hybrid vehicles to decrease foreign oil consumption
- ___ Provide Clean Cities information and support to school districts and other agencies
- ___ Provide refueling facilities accessible to agencies and private fleets
- ___ Cooperate and coordinate with organizations/agencies to facilitate Clean Cities related projects
